

Community Lunch 29TH of April, 1pm-6pm

@ Holmewood Gardens

Dear Holmewood residents,

We have settled in quite nicely at number 52 Holmewood Gardens since summer 2009 and have thought all along how lovely it would be to have a little community get together in the green! So in honour of the Royal Wedding we thought that the 29th of April would be the ideal occasion to get to know our neighbours.

We approached the council to ensure there wouldn't be any confusion with registered street parties taking place on that day and filled in an application. Their response was the following:

The Events Team have met and decided that this is not classed as an event as you will be using Holmewood Gardens for its purpose as a community garden. As long as you do not have any infrastructure, selling food or alcohol, playing loud music you do not need permission from the Lambeth Events Team.

The idea is simple and the event could be really tasty if you are into food! Bring some homemade food to share, a garden table and chairs to accommodate your household and we will synchronize our efforts by joining tables together to create a community event.

Please feel free to contribute in any way you think you can e.g. bring along decorations, a musical instrument, or even your band.

We hope to see you on the day!
